NEW THUNDERBOLT CHAPTER FORMED IN DAYTON, OHIO

Congratulations and the best of luck to the men of the newly chartered Miami-Valley Chapter, Dayton, Ohio. Much credit should be given to Leo Boyd, Hq-331, who started the ball rolling last August at the Washington, D. C. reunion. Since then the boys down in Dayton have covered a lot of ground and are still hard at work to increase their membership. Any former 83rd Division men in and around Dayton, Ohio interested in joining the Chapter can get more information by contacting Leo

Boyd at his barber shop at 3523 Riverside Drive in Dayton, Ohio.

We here at the THUNDERBOLT headquarters are anxiously awaiting the arrival of the first article of news, from Chapter Reporter, Ed Fink, Hq-330, telling all the Thunderbolt members about the activities of their new Chapter.

Shown below are some of the men of the Miami-Valley Chapter.

Left to right; Leo Boyd, Hq-331, Pres.; Rip Van Winkle; Leo Monnin, K-329; Joe Bertke, L-330; Ed Fink, Hq-330, Sec.-Treas. and Chapter Reporter; Orval Ellis, Hq-329; Delbert Rinehart, Hq-330, Vice-Pres.; Roger Lemaster, Hq-329; Ted Lehmeir and Charles Irwin.

THE PRESIDENT'S CORNER

Fellow Thunderbolts:

The New Year is here. It hardly seems possible that six months have passed since we had our reunion in Washington. By the same token, our next reunion will be on us before we know it. For this reason it behooves us all to start working NOW to get new members and to line our friends up to attend the reunion in New York in August. Remember, this is the year we are all going to get our closest friends and buddies to attend. With one big concentrated effort I am confident this year's reunion will be a tremendous success.

Your President has decided that he can do little more in the performance of his duty than to personally write each individual who has not yet paid his dues. In this letter, he will urge each addressee to: (1) pay up, (2) send us the names of his friends who are not members, and (3) write to his closest friends urging them to meet him at the Roosevelt Hotel the 3rd week in August. You can see that this is going to be a big job. Can I solicit your help by asking you to go to the trouble of only contacting your closest friends and asking them to do the same.

Thank you for your support and best wishes for the New Year.

REUNION REPORT

By HARRY LOCKWOOD—329

Just the usual report at this time to let you know how things are going along regarding the convention.

Progress is being made, committees have been picked and we are getting ready to follow through on publicity, entertainment, program for the ladies and the many other things pertaining to setting up the Reunion next August.

We have been promised radio and television coverage, insertions in newspapers and magazines and all in all if it all materializes I'm sure it will be at least a well advertised convention. The program for the ladies will be taken over by a few of the ladies at this end and I think, that along with the many things to see and do here in New York the ladies will find themselves pretty well occupied.

This is something we are trying to put over real big, and with the zest and cooperation of everyone it's really going to be big. More about it later.

As you undoubtedly know, the convention is to be held at the Hotel Roosevelt, on 54th Street and Madison Avenue, just one block from Grand Central Station and three blocks from Times Square. It is situated just off the heart of town and easily accessible to pretty near everything. A few short blocks from The United Nations Building, three blocks from the theatrical district, about ten minutes walk from the big department store district, Macy's, Gimbels, Sachs, etc. about ten minutes ride on the bus to the boat that takes you on a sight seeing trip around Manhattan Island, about the same time on the subway to the boat that takes you to the Statue of Liberty. I could go on and on Buddies, it's just one of the most centrally located hotels in the city.

We have been having our meetings there for the past couple of months and they have been rolling out the red carpet for us, I just call and tell them what I want and the next day I get a letter verifying the telephone conversation and granting the request. So far I have been given all sorts of cooperation and at least, now that the groundwork has been laid I can truthfully say that I have enjoyed the opportunity of doing some of the leg work and along with the rest of the men of the New Jersey Chapter to help I feel safe in saying that it should be the one convention that no one should miss. Soon as the final arrangements are made I'll send a breakdown on the program that will be published in the next Thunderbolt.

CLEVELAND CHAPTER NEWS FLASHES

By CASEY KOWALEC, C-322-FA

Our first issue of the New Year is full of good news. Its apparent that our Chapter is once again pulling together and the future is bright with all sorts of activities planned for the Cleveland Chapter men and their families.

Congratulations to our new Chapter Officers and good luck for the coming year. Elected at our last Chapter meeting were:

President—Bob Grobelny, A-329

Vice-Pres. and Treasurer Chester "Chick" Czech, Hq-322-FA

Recording Sec.—Al Uridel, Cannon-329

We thank all the wonderful people who braved the cold wintery weather to come to our showing of the film "Thunderbolts Across Europe". The film certainly brought back memories, both pleasant and sad. Also our thanks to Dominic Christofer, C-323-FA, for bringing his equipment over to show the film and also to show his own film "The Road Back" which he filmed personally on a recent jaunt through Europe. (Dom, how about bringing this film of yours to New York this August and show it to the gang at the Reunion?) Also a "pat" on the back for Joe Minotti, Hq-324-FA who took a train in order to beat the weather to spend the day with us.

We, who attended the Halloween dance put on by the Warren Chapter, thank our hosts and hostesses for a wonderful evening of fun and entertainment. We enjoyed every second of it. The dance put on by "Josephine" Minotti is still the talk of the Cleveland Chapter.

Welcome to our newest Chapter members, Dominic Christofer, C. T Spisak, Henry G. Fix and Louis R. Roselowski.

Congratulations to Ted Karageorge, A-322-FA, on his promotion to Sales Manager in his new job with Cooley Motors here in Cleveland.

Our next big social will be our annual dinner-dance to be held on May 25th. Don't miss this one. Plans are in full swing and we are working on a special surprise for this occasion. For further information, get in touch with Bob Grobelny, 507 Columbus Street, Bedford, Ohio or Al Uridel, 3784 East 53rd St., Cleveland, Ohio or Chester Czech, 6911 Indiana Avenue, Cleveland.

NEWS BRIEFS

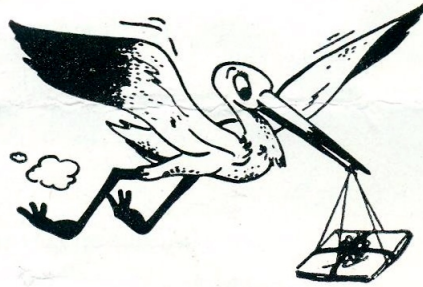

Congratulations to Henry and Mary Hine, M-330, on their recent marriage. Now that Hank has a little helper we expect to see him become active in the great work he is capable of doing for the Pittsburgh Chapter and the Association. "Get him on the ball", Mary, and keep him there.

START TALKING REUNION—THUNDEBOLT STYLE—DO IT NOW!

STORK COLUMN

Baby girl to Norm and Mrs. Malo, (K-331).

Baby boy, Randall Edward, to Milan and Mrs. Guinn, (K-331).

Baby girl, Martha, to H. T. and Mrs. McClain, (I-339).

It has also come to our attention that Captain and Mrs. Macaluso, G-331, are holding a "full house" now with the arrival of number five. As soon as we find out from Captain Mac, we will print whether boy or girl and name.

We have received quite a few dues to date but we are still far away from the one-thousand quota that Colonel York set as his goal for the year. Along with this we want to thank Carl Wheeler, G-331, for the extra "buck" that he donated as a self inflicted penalty for being late. Also thanks to Steve Click, M-330, for his generous donation of ten-dollars which he sent along with his "four-bucks" dues for 1957-58. How about that?

WARREN, OHIO CHAPTER

by MIKE SKOVAN, Hq-331

With the beginning of another New Year, the Warren Chapter wishes to extend hearty and happy New Years felicitations to all members and their families of the 83rd Infantry Division Association.

The Warren Chapter was honored by a very nice representation of the Cleveland, Ohio Chapter at its annual costumed Halloween Dance held October 27, 1956. We trust and hope a fine time was had by all as we certainly enjoyed having them. We also hope that Ray Voracek's hand hasn't suffered any complications as a result of it going through the wall (accidently of course).

Warren Chapter Hallowe'en Dance

Warren Chapter Hallowe'en Dance

A wonderful custom established last year by the Ladies Auxillary prevailed again this year when they treated their husbands (that's us) to a steak dinner at Warren's Astoria Cafe for Christmas. After dinner the remainder of the evening was delightfully spent at the home of our President and his wife, Charlie B-322-FA and Ann Tomazin.

Pictured above are Warren Chapter men and wives at Annual Christmas Dinner

The Warren Junior Thunderbolts and Thunderettes came in for their share of the Christmas spoils when they were treated to a Christmas party at Club 83, that included a visit by that fine old gentlemen in the red suit and white whiskers plus the usual Christmas goodies and presents for all.

The "Non-Coms" of the Warren Chapter

A fine New Years' Eve celebration was enjoyed by the chapter at the home of George and Mary Cooley. In addition to a fine hospitable host and hostess and the usual liquid refreshments a delicious turkey with all the trimmings was served and much appreciated. Again to George and Mary Cooley a big thank-you for a good party.

WARREN, OHIO LADIES CORNER

by LIZ SKOVVAN

The regular monthly meeting for December of the Warren Ladies Auxiliary was held at the home of Mrs. Michael Skovran, December 12, 1956. After the completion of the business meeting, the remainder of the evening was delightfully spent in womanly gossip and exchange of Christmas gifts.

On the evening of December 17 the Ladies Auxiliary were honored to have their husbands as guests for Christmas Dinner at Warren's Astoria Cafe. Beautiful surprise rose corsages were presented to the ladies by the men upon their arrival for this dinner. Following the dinner everyone was invited to the home of Mr. and Mrs. Charles Tomazin for a wonderful evening of cards and refreshments.

Any ladies of the 83rd Association desiring any information with respect to the forming of their own Chapter ladies auxiliary are invited to contact this auxiliary either for a copy of our constitution and by-laws or other pertinent guiding information. We enjoy our auxiliary and we know you will enjoy yours to. Also any ladies who think they might be interested in forming a National 83rd Infantry Division Women's Auxiliary Association please contact this auxiliary and we will be glad to exchange our thoughts on this point too. Let's back our men and their Association.

Dear Mr. Cooley:

Back by popular demand! I'm sure that your association will be interested in a dual service, to your membership and your treasury! I know in my association, the 1st Armored, the ever present problems, of new members, news items, and money, have kept our unit on its toes.

Since 1943, Twentier's divisional jewelry has been the outstanding buy for the veteran. Sold direct from manufacturer to buyer, made of the finest of materials, by master-craftsmen, it isn't difficult to understand why this exclusive line of jewelry has been outstanding in the field. However, in the years following Korea, it seemed that the demand would not warrant a heavy promotional expense, and that the volume would probably not warrant the continuation of the low, direct prices. But, with an ever increasing demand over the last two years, it is obvious that there are a great many veterans who have not forgotten their units, or their veterans organizations.

I feel obligated to make divisional jewelry available to those men, and plan on advertising in the VFW and American Legion magazine during 1957. But I would like it made known to the men of your association through the insertion of the enclosed folder in your letters or bulletins about three times in the coming year. No additional postage should be required.

For your trouble, I will report *all* purchasers names and address every sixty days, and send you a check for 10% of the purchase price before taxes. Yes, that's right, on all purchases! This extra consideration will more than repay you for making the insertion, and with the names and addresses of the purchasers to check against your membership, it should be a simple matter to follow up and bring those men into your organization. This has proved to be beneficial in other associations, and can be profitable in yours.

Just advise the number of inserts necessary to cover your membership or mailing list, and the approximate date you will want them. *Do it today*, and I will do the rest.

Sincerely
Max Twentier

LETTERS TO THE EDITOR

Dear George,

I had planned to attend the 10th Annual Reunion (my first) last August. A number of us, however, from McDonnell Aircraft Corp. were rushed out here to Edward AFB on a Jet Flight Testing Project and my plans had to be put off until, I hope, the next reunion which will be my first.

I enjoy our THUNDERBOLT very much even though there is very little mention of former Division Headquarter men. There must be a few around somewhere!!!

I don't believe there are any 83rd men in the St. Louis area. If there are and I had their address I would certainly contact them. Perhaps there are men and they are not aware of the 83rd Association.

Enclosed check for current dues.

Gentlemen:

I would like to inform all the readers and buddies who read the Thunderbolt that for the past month one of your men from the 83rd Infantry Division, World War II, has been in the hospital. He had an accident while working in Pottstown, Pa. Theodore J. Gleba (Ted) a partner in the firm of Gleba Bros., Excavating & Demolition had a serious operation performed on his head to remove a blood clot, and also had some minor injuries, as a result from his accident. He had fallen down and apparently twisted his body and hit his head on a joice in the building that the firm was demolishing.

He is coming along fine now, but his convalescence will take a great deal of

time. Hoping that you can print this in your next issue of Thunderbolt.

I sincerely hope this information will be of service to you in rebuilding the division's personnel roster.

LETTERS TO THE EDITOR

Dear Mr. Cooley:

I am writing a book for Henry Holt, Inc. on the Battle of the Bulge. I would like to locate men of the 83rd Division who fought in the Ardennes campaign. I would like to interview these men—particularly those in the New York City, Philadelphia and Washington areas.

My book will be detailed, documented—told from the human interest point of view. The style will be similar to that of my book on dirigibles, SHIPS IN THE SKY, which will be published by Holt, February 4, 1957. A section of this book, "Terror in the Twilight"), concerning the last flight of the airship Hindenburg, appeared in the December 8, 1956 issue of the Saturday Evening Post.

I'm interested in the way the individual soldier acted in crisis: the tragedy, the comedy, the panic, the heroism, the unusual the significant. Men in areas not mentioned about, who have unusually good stories, should write them to me. During the next six months I'll be travelling all over the country and I may be able to interview these men also.

The 83rd played a vital role in the Bulge. I want facts and anecdotes so I'll be able to tell the Division's real story. I want data on individuals, platoons, companies, regiments etc. If any man has a war diary covering this battle I'd like very much to read it.

If you have a unit history, directory or pamphlets please send them to me. The Department of Army is strongly behind my book. For any questions in this connection you can contact Major Victor Walker, Book and Magazine Branch, Room 1E589, Pentagon, Washington, D. C.

I'll appreciate any help you can give me.
