

Our Accordion Player, Armstrong, and a famous singer, Bob Hunnewell, did a marvelous job entertaining us at the last meeting with the ladies joining in. 329th Company I taught Hunnewell how to survive anyhow!

The next meeting will be at Fran Arrigo's House. Santa will be there with all the goodies. This happy occasion will be next week.

Pat and Gin DiGiammerino were up to visit Bernie Cove at the Pines Hotel in South Fallsburg, New York recently.

John McGillivray of 330th Anti Tank Company died September. He was a retired Federal Marshall.

Also in September, Arthur Del Padre died. Larry Arrigo and Pat DiGiammerino were Pall Bearers at his Funeral. Arthur was a member of the 330th D. Company.

Our condolences to both of these families.

Thanks to all that helped us with our recent drawing.

Happy Holidays

### \*\*\* 323 FA BN REPORT \*\*\*

John Piscitelli wrote me a nice letter keeping me up to date with some 83rd news.

I had a letter from Captain Bob Costello last September telling me that Willie Medling and he were chatting on the telephone which he really enjoyed. Willie also sent a set of pictures that were taken in Germany by Wayne Pageatt from Dowagiac, Michigan. We do not have an address for Wayne. If anyone does have one, please forward it to us.

Lt. Peter Weltevrede has been writing to me from Grand Rapids, Michigan. Pete has been having health problems but never lost his sense of humor. Nancy and I enjoy hearing from him. Pete told me that Captain Morgan calls him from Falls Church, Virginia which was very enjoyable for these two **Old Men**.

I see and hear from George Connors quite often. Now that the Red Sox have quit for 1983, George will have more free time.

Victor Bravman is doing well--I have talked with him on the telephone. Tom Papile was in the Hospital for a hip operation. However, it has been postponed for a few months.

Norman McCormac and his wife, Anita, were visiting us on their way to Puerto Rico. They also stopped by on their way back to Maine. "Mac" and I had a lot of good laughs about that famous Cow he shot in Normandy, France. I hope Norman and Anity enjoyed their visit here in Boston. Anita said that they will try to make it to the reunion in Kentucky in August.

Everyone is looking forward to seeing the heavy artillery from the Cincinnati area -- Erwin Erhardt, Bruce Deem, Tom Houlette and Bob Scheumann. David Nellies will come down from Menton, Ohio to add a few stories to their collections. Maybe Willie Snodgrass will sing a song or two from the good old days.

Bill and Lois Shaner have been traveling around the country. Don and Amy St. John tell me that you can't slow Shaner down in his senior years.

Bill don't forget your 41st in February.

I must add to this report with regret the recent death of George Ken Willis. Willis died in mid November. I was told this by his twin brother, Don Willis. They both served in the 323rd Hq. Btry. Our sympathy to his wife, Betty, and his two children along with Don and his family.

Unil the next issue--I hope you enjoy your holidays.

Another Christmas Season is upon us and I sincerely hope that we are all in a position where we can enjoy it. We can all look back on 1983 and feel that in some way it has been a good year for all of us.

I talked with Kate Pangle last week, she informed me that Loyal is doing much better and once again his attitude is good. This is saying a lot, because he has just returned home after spending three weeks in the hospital in Detroit, Michigan. He had a second operation on his disc, and in talking with Kate she feels that it has done him some good. He still wears his brace but he has shown some improvement. We should all take our hats off to Kate, she has fought this battle with Loyal, and with both of them pulling together we can expect only good results. Stay in their Loyal, we are all with you, and we send our regards. Had a letter from Beau Titus, sending me some information about another 83rd Men who has received the Medal of Honor. Beau got hold of the clipping and immediately went to work. He has Joe Phillipone look the fellow up in Youngstown, Ohio. I know that Beau had sent the clipping to me in order for me to take some action on it.

He informed me that on a recent trip to the Carolinas, Joe Phillipone met with Troy Mayse. It is good when we can look up our buddies as we travel around the States. Joe is hopeful that Troy can join us next year in Owensboro, Ky.

As a reminder, those of you that are planning to attend the reunion, it is not too early to send in your reservation. The Kentucky Chapter is planning a good program for us, with a trip back to Camp Breckinridge included. It will be

good to revisit our old training areas. I joined the Division at Camp Breckinridge and have some fond memories of the place. That was the first time in my life that I had been subjected to that kind of cold weather. Believe me I will never forget the many cold and rainy nights that we spend running tactical problems over the hills of Kentucky. It was a relief when we were sent to a Combat area.

I heard from Mort Gaynor, I thought he would have retired by now, but he still is working, and maybe that is the best for him. I have managed to keep busy for the past few months, I have been wanting to write a letter to all members of the Company, but I had to postpone it, but sometime early next year, I will get the letter out to all Company members.

Recently I acquired a new License Plate for my automobile, I thought only fitting that I do this. The new Plate number is Co. G. 331.

**\*\*\* WARREN CHAPTER NEWS \*\*\***

**Meetings - October:** Our annual "Election of Officers" meeting combined with a Golf outing and refreshments was held at Smelko's Golf course with a good turnout of 14 golfers. New Officers were elected as follows:

<b>President</b>	<b>Roscoe "Babe" Gautschi</b>
<b>Vice-President</b>	<b>Ray Voracek</b>
<b>Sec'y-Treas.</b>	<b>Joe Venuti</b>
<b>Chairman Good &amp; Welfare</b>	<b>John Teringo</b>
<b>Chaplain</b>	<b>Bob Johnson</b>
<b>Ticket Chairman</b>	<b>John Shamrock</b>

**November - John and Helen Caparanis** was our genial hosts and as usual the refreshments were enjoyed by all. Our Ladies Auxiliary held their meeting upstairs and the men downstairs, in the recreation room. There will not be a December meeting, but we will take our lovely wives out to that fine restaurant (Cafe 422) on the strip for our annual Christmas party. For years our ladies have absorbed the cost of the food, but this year our Chapter will furnish the food and drinks for the whole affair. They have already labeled us "The Last of the Big Time Spenders".

We also discussed the recent discovery of another Medal of Honor recipient from the 83rd. Amby Tynan sent us an article from the Ohio V.F.W. News, published in 1981, indicating that Sam Phillips, now living in Youngstown, Ohio was awarded the

Medal, Feb. 4, 1945 by General George C. Marshall. Sam served as a Medic, Technician-Fifth Class with Co. C. 308th Engineer Btn. Our own Joe Phillipone had met and talked to Sam a few times, as they live only 3 or 4 Blocks apart and Joe never knew that Sam had the Medal. Information from Phillipone was forwarded to our Executive Board Chairman, Joe Macaluso for further action.

**Our Deepest Sympathy to the George Bellay Family on the death of George's Father, Steven Bellary, October 7, 1983.** Mr. Bellay was 103 years old and was the third member of the Bellay family to expire in 1983.

**Also, to Elmer Titus on the loss of his wife Fay on Nov. 26, 1983.** Although not a member of the 83rd. Elmer and Fay attended ten of our reunions as the guest of the writer and has many friends in the Association.

**Sick Call - our old Buddy Loyal Pangle** from Flushing, Michigan, returned home again Dec. 1st. from Detroit General Hospital, after 3 more months in a Flint Hospital and subsequent transfer to Detroit for another operation on his neck. He wears a special heavy "Halo" device and with the help of his wonderful wife Kate, must almost learn to walk again, a few steps at a time. Loyal has been in hospitals a total of seven months in 1983. I like to keep Loyal's many friends in the Association informed on his health because no-one in the Michigan Chapter has bothered to send him a card, or called to inquire of his health for a very long time - so you won't read about him in the Michigan Chapter News.

Since the last issue of the Thunderbolt - George and Louise Bellay and John Shamrock have been in and out of the Warren Hospitals. They are all feeling better now and back in action.

Well, that's all from Warren for now except our wishes for good health and good luck to all you nice people for the New Year.

Dear Mr. Derickson,

it saddens me to advise you that my beloved husband, George M. Burg, who served in the 83rd Signal Company during World War II, passed away Dec. 21, 1983, at age 70, and was laid to rest on Dec. 24, 1983. George is also survived by a son, a daughter, grandson and three granddaughters.

He often told of his many experiences with the 83rd Signal Company and at one time belonged to the Association.

If a notice of his death appears in a future issue of the Division bulletin, I would appreciate a copy and am willing to pay the costs.

Sincerely Ours,

### FIRST LIBERTY IN WALES

This little story was brought to mind by Kent O'Connell's report in the Thunderbolt about the 83rd Military Police. However this story is about temporary MP's and should illustrate why official MP's were needed.

The first morning 'B' Co. 329th rolled out of the sack in Erddic Park in Wrexham, Wales they were told half the company could go on pass that day, provided each man understood the British money... pounds, crowns, and shillings. The other half of the company could go out the next day. It didn't take long to learn, so when the trucks moved out at noon, half the company was aboard. Most of them carried some kind of bag folded neatly in their pockets to bring back everything from candles to cake for their buddies left in camp.

The dust on the road out of camp hadn't settled when a platoon sergeant came looking for volunteers. With more than a little suspicion in their voices Danny and Red, who were caught flat-footed in front of their tent, asked what kind of detail was involved. The sergeant, an unusually kindly person, replied that twenty men from the company were wanted for MP duty in Wrexham, just to watch over our own men and help them get back to camp before the 11 PM curfew in the event they might not be able to find the route back. Danny and Red grinned at each other, they thought as a team. They told the sergeant to sign them up. As he left he directed them to report to the CP at 5:00 PM in OD's, leggings and pistol belt equipped with bayonet. While Dan polished his boots, Red pointed out that this would be an opportunity to survey the town before their turn to go on pass. Every time they looked at each other while they were getting ready they laughed out loud. They were really excited about this lucky break.

It was less than a ten minute truck ride to the Wrexham police station where a platoon sergeant met the detail and issued MP arm bands and assigned the streets they were to patrol in pairs. Dan and Red, of course, went together. They were assigned to a four block section of Market Street. It was the main shopping district in town, and started with the canteen at one end, and went as far as The Kings Crown, a pub at the far end of the street.

The boys left the police station, and on the way to their assigned beat they passed a picturesque little neighborhood public house. Through the small panes of the front windows they saw the first sergeant in the middle of a group of 'B' Co. non-coms at the bar. When they entered the boisterous chatter changed to an uncomfortable hush at the sight of their MP arm bands, but the first sergeant broke the silence by offering them an English beer. They promptly refused the offer because of the duty, but thanked the sergeant and left shortly after saying hello to a couple of their buddies. The conversation had picked up before they reached door so they felt better about disturbing the party atmosphere in the pub.

On Market Street it seemed as if the whole town was out shopping. They crowded the entire length of the narrow cobblestone street; window shopping along the way. It reminded Danny of a Christmas card scene. As they drifted with the crowd, they noticed a pretty little brunette, wearing a knitted shawl across her shoulders, hurrying past the people on the narrow sidewalk. When she spotted the two GI's she left the sidewalk and made her way directly to Dan and Red. In a delightful Irish brough asked "are you MP's?" "Why sure, what's the problem Miss?" they returned. With a very serious face she claimed her panties were missing, pink ones with black butterflies, and I think they were taken by one of your chaps. She had to be kidding, but the MP's decided to go along with her act. They asked where these chaps might be and she led them through the crowd to The Kings Crown. The pub had a large bar room, and the group seated at the far table against the wall sent up a roar when the three walked into the smoke filled room. The colleen squeezed between the crowded tables toward the group across the room. The MP's tried to follow, but some of their buddies grabbed them by the arm to ask them to explain the money again. They thought they had been charged double for their beer, but Dan and Red explained that they had been served a double size beer. "Simple when you don't drink," they kidded.

Eventually they reached the table where the colleen was talking with the American soldiers and their girl friends. Dan made up his mind the farce must cease so he asked the girl to point out the man she suspected of pilfering her pink pants, which she did. With a wink toward the soldier, he asked the two to step out side where it was quiet enough to talk. Dan led them to a side ally next to the pub and opened the wooden door he noticed in the wall. Inside was the dark backyard of the pub. He turned to the colleen saying, "now before we can accuse this soldier we have to be sure your panties are missing; would you care to step inside?" She cringed as she looked into the darkness and meekly decided she would rather drop the matter. The soldier escorted the girl out of the ally and happily waved goodbye to the MP's. Dan and Red headed for the station house, they didn't want to risk losing their pass for tomorrow.

As it turned out, Dan and Red never got back to The Kings Crown. They discovered the servicemen's program at the "Y" and enjoyed many evenings playing ping-pong and dancing the hoky-poky with the nicest Welsh girls.

## TODAY

The best thing you have in the world is Today.  
 Today is your savior . . .  
     it is often crucified between two thieves. . .  
 Yesterday and Tomorrow.  
 Today you can be happy,  
     not yesterday, or borrowed from tomorrow.  
 There is no happiness except Today.  
 Most of our misery is left from yesterday  
     or borrowed from tomorrow.  
 Keep today clean,  
     make up your mind to enjoy your food, your  
     work, your play,  
 Today anyhow.  
 Today is yours.  
 God has give it to you.  
 All your yesterdays He has taken back.  
 All your tomorrows are still in His hands.  
 Today is yours.  
 Take it pleasures and be glad.  
 Take it pains and play the man.  
 Today is ours.  
 Use it so that at its close you can say . . .  
 I have lived and loved Today!

**\*\*\* NEW ENGLAND CHAPTER \*\*\***

**Hi Buddies:**

Here we are at the end of another year, a year older and a little slower, but the 83rd Division Association is what it is all about - great friendship and good and bad memories.

Our New England Chapter Christmas Party will be held on Dec. 10, 1983 at the Sheraton Boxborough Inn and Conference Center in Boxborough MA. and it was another great time. We had Jim and Dot Brennan from RI., Marie and Mike Champey from Middletown, Conn., Nina and Mike Petitti, Bridgeport, Conn., Ingrid and Karl Burkhard of Carmel, N.Y., John Donahue of Burlington, MA., Betty and Bill Davis of Newburyport, MA., Ann and

Charles Helligan of Lowell, MA., Mary and Nick Francullo, Lynn, MA., Emma and Lou Rossi of Lynn, MA. We all enjoyed the food and drinks and had a great time. To all of our New England Chapter members who did not make it, we still miss you and think of you. You know, it is not the number of members you have, it is the togetherness behind it.

After our Christmas Party we will be planning our big Reunion in Kentucky and we expect New England to have a great turnout. Kentucky Chapter and National President, Arthur Doggett, you will be hearing from the New England Chapter.

On the sad side, we would like to say we have lost a great member through the death of Arthur DelPadre D. Co. 330th and he will be greatly missed. The New England Chapter extends its deepest sympathy to Mary and family.

This is all the news I have until after Christmas. The New England Chapter members would like to wish all of the Chapters and National Officers of the 83rd Div. Assn. a very Merry Christmas and a Healthy and Happy New Year.

Your Buddy Always,

\*\*\* 783 ORDINANCE COMPANY \*\*\*

At this stage of our lives we know all about the good news and the other so lets start with some good news. Q. Boyett who had to call off the last reunion because of the heart attack was found back on the job supervising the logging operation where wood is \$45.00 a cord. Anybody got a truck?

Some of the best news came from Doc Pfeifer who while enjoying the marriage of his son in Calif. also went fishing and caught Lloyd Grayson and Al Awbrey. Doc and Agnes spent the night as Lloyd's guests and Al and his wife came over for a grand reunion of their own. The Pfeifers then went to dinner at the new daughter-in-laws, Mothers, home in Walnut Creek which also happens to be the corral of Ivan Goodman. One phone call and the former Lt. came a jogging to the former 1st. Sgt. (Just like he always did) and another grand reunion was had after thirty eight years! This is what I call "Good News" hearing of the rebirth of friendship in our golden years.

In the same vein Carl Frederick and (bathing suit) Alyce drove up and visited Ed Perko's ala carte farm and had a wonderful day. Lloyd Grayson is trying to beat the A.T.&T. break-up by calling many of you including a surprised Sam Candelieri. I called "Candy" last week because Arthur's letter came back and "Doc" is always telling me what to do, its like having two wives. Candy is fine in spite of some eye trouble and he hopes to get to Ky. Please note his address is 74 Cobane St.

The bad news is about Bill Appleby who was sticken suddenly last week with leaking vessels behind the right ear. I have seen Bill a couple of times and after ten days Bill is free of the headache, is thinking straight again and is looking like his good "old" self. He will need five more weeks of bed rest so here's a good time to send Bill a happy line like "I'll see you in Kentucky".

More good news is my lucky dialing finger. Would you believe we struck pay dirt three times. Henry McQuaig, Andy Grant and Jesse Tilford! Henry was found at 724 Magnolia Ave. Panama City Florida 32401 - Phone 9047855310. Mac has been retired for two years enjoying it and his health. He was naturally shocked to learn the last reunion was so close to home.

Andy retired at sixty eight, five years ago, hasn't heard from anyone in years and his health is stable. He resides at 1140 Markwell La. Louisville Ky. 40219 502-969-1544. Andy was instrumental in my locating Jesse. One call to info. and there was a surprised Jesse who's been retired nine years and lives at 1701 Harlod Ave. Louisville, Ky. 40210 510-

776-1881. And of course the three of them were so impressed with my salesmanship that they promised they will sign up for the reunion. Jesse and Andy better be or we'll all march up and get them.

The other bad news came from Gene Reynolds wife who called to tell me that Gene lost his battle with throat cancer in Sept. You know they moved to the Rockies three years ago from Ohio and Gene really benefited from the scenery and the move.

In our tracing we also found that Kendall Armstrong died three years ago and Mike Dziabiak eight years ago in Calif. also from cancer. This of course means we know not the time or the hour so lets make 1984 one grand reunion. From what I'm hearing I'm expecting to see at least thirty five of you at the reunion so get your reservations in NOW.

Got a nice letter from Dot Foster and John's dog Mobe and she is sending in her reservations for her son, daughter-in-law and grandson! Another interesting fact is that we have now located ninety-three 783ders and while the figure slowly climbs I know there are a few more that would like to be found. Any more clues would sure help, just drop me a line.

Labbe reports that he is thinking about retirement but we don't care, he comes to all the reunions anyway. Arthur Doggett tells me that Ray Downing will bring that "little" guy, 1st Sgt. Jones, see its going to be a great one!

Lastly we want to help Doggett all we can with his reunion so Carl Frederick has agreed to be the chairman of the 783rd Booster Ads. If you can would you please send Carl \$5.00 or whatever please, so we can be properly represented in the 1984 Ad book for the reunion. Carls address is N-48-West 16111 Donald Menomonee Falls, Wis. 53051.

Hut two,  
Rags Rangnow

A happy and healthy Christmas to you and yours  
Bob and keep Arthur calm.

\*\*\* CN. CO. 329 \*\*\*

Hello Buddies:

We in Cleveland are counting our blessings, most of the Chapter are in "fair to middlin" shape. Ed Josek had to go in to get his heart catherized, Al Lacinski had some problems with his heart, Rollie Warner was operated on a hernia on Monday, and left the hospital on Wednesday, Bob Grobelny had a "Rear Admiral" work on his butt, all feeling fine now

though, and looking forward to the Holidays and better things.

We had our last 3 meetings at Josek's in Sept., Kowalec's in October, and Hleczkas in Nov., these all turned out to be more like banquets, with good food and refreshments galore. Now our Christmas party will be hosted by Chester Czech in a party room that he is affiliate with. Earl Lindsey is growing a beard for the occasion, (the paunch he already has). Everyone is looking forward to another good time. Our January meeting will be at Bob Grobelny's more eating, how in hell can you lose weight at the rate we're going? I say eat and enjoy, for when the digger slaps you in the chest, with the spade "their aint no more".

We welcomed aboard Steve Ferko as a new member, looks like he'll stay with us, I say, what took you so long?

Bob Uher has a new hobby - wood carving and he won 1. prize in a contest he entered. Bob carved out a horse that is truly a beautiful piece of work, we all congratulate him in his new involvement.

Just receive word from C. Kowalec that George Sofranko is incapacitated again, stay in there George, we're all rooting for you. George has been having a great deal of problems, and has accepted them with faith and determination.

We have two new members that I failed to mention before, Bob Miller & Kit Williams, they are with us over a year now, in fact they were members a long time ago and dropped out, it's good to have them back in the fold again.

Hope everyone out there has a Merry Christmas and a Happy New Year also a Healthy One.

Stay nice, fight nice, and pay your dues.

### \*\*\* PITTSBURGH CHAPTER \*\*\*

Greetings and a happy New Year to you from all of us in the Pgh. Chapter.

We just held a successful Christmas Party and dinner at the Monesson Elks to ring in the holiday season. Each of the ladies present was delighted with a Christmas gift received from the chapter. Since we have voted to do this for so many years now, it has almost become a tradition. It is one, I think, we should keep.

Our chapter had planned a larger turnout for the Veterans Day Parade but it was such a rainy, cold, bone-chilling day that it was not very well attended. Jules Desgain, our spearhead, who owns an army

jeep along with a Cadillac Convertible (with top up), decorated with 83rd banners, was in the parade; and, also a few good men from our chapter.

I think this was one of the few times an Infantry Combat unit made a choice to ride instead of march down Fifth Avenue. Nonetheless, the 83rd Infantry Division was represented in the Veterans Day Parade to honor all of our buddies. Past and Present. And that's what it's all about, isn't it?

Treasurer, Sam Klippa is handling our reservations for the Executive Inn for the reunion. He's collecting \$25 deposits for rooms and sending them as a group so the Pgh. Chapter may be together on the same floor or area of the hotel. So far the response has been very good.

Joe DeLuca is arranging for a charter bus to Owensboro. This will happen only if we are able to get 40 to 44 people to commit themselves to go this way. We went to "The Pines" on a charter bus and we had a great time.

Do you know this man? Welcome to a new member into the chapter and 83rd Ass'n. He's Anthony DeGregory who was with E Co. 329th Inf.

Ed Ruess has let us know he will be retiring from General Electric on Jan. 31. after 38 years service. Happy retirement, Ed.

We deeply regret the loss of our buddy Ted Ritchie. We shared a lot of good times at a lot of reunions together. And, he attended most of them. We'll all miss him.

Also, one of our local 3rd men recently passed away. We offer sympathy to the family of Steve Hajdu of Daisytown, Pa. He was with 83rd Div. Arty.

Paul and Rita Diethrich recently took a trip to visit with CN 330th buddy Sam and Charlotte Cordiano in Wickliffe, Ohio.

May we wish Gene and Yolanda Costanzo a happy 40th wedding anniversary on the 29th of December. Seems like just yesterday doesn't it, Gene?

Our buddy Andy Churpak, D-331, has had a painful hip operation and we hope he will have a rapid recovery.

We were delighted to welcome Mary Hassick to our X-mas Party. Will always have fond memories of our buddy, Adam. Mary and Adam's youngest son, James, will graduate in May from W. Virginia University as a Chemical Engineer. Shortly thereafter he will also marry fiance, Martha, and that's what we call icing on the cake -- Congratulations!

On this happy news, I'll close, wishing you all again a very prosperous, healthy and wonderful New Year.

Larry Leonardi

\*\*\* FROM THE OLD OFFICE \*\*\*

Hope this column finds all of you in the very best of health, and content after the Holidays, which I hope were very happy ones for you and yours. All that is left now is to stay home on these cold days and figure out the way to get those bills paid. Then, by the time you get that done, it will be time to get more bills going for Easter. There just is no end to that.

These deadlines for the Thunderbolts sure do come by very quickly. I had accumulated a large amount of material for this issue, but while cleaning up this Office to have it ready for Christmas, I misplaced a lot of it. Maybe you'll get to read it in the next issue. This old lad is getting absent minded.

Nothing new has been happening around here, but there has been a lot of bad news coming in to this Office. The biggest shock was when Bob Derickson called to tell me that my dear friend (and good friend of most of the 83rd regulars at the Reunions) Ted Ritchie had passed away. He looked so good at the Reunion that I thought he had his illness licked. I'll surely miss his company at the rest of the Reunions. He will be missed by everyone, I'm sure.

Col. Quentin Pease of the 324th Field Artillery, passed away on the 13th of July, 1983. He had served in the Army for 32 years and retired on a Medical Disability in 1971.

He was part in the Invasion of Normandy, France. He conducted Worship Services throughout the world during his Military assignments. Col. Pease served in Germany twice, Korea and Hawaii and made trips to Vietnam during that conflict. His most recent assignment was Chief of the Air Defense Branch, Special Weapons Division, Office of the Deputy Chief of Staff for Operations with Headquarters in the Pacific. He was awarded the Legion of Merit for this.

His other decorations were: The Bronze Star, European African Middle East Campaign Medal with five Battle Stars, the American Campaign Medal, the World War II Victory Medal, the Army of Occupation Medal, the National Service Medal, Joint Service Commendation Medal and the Basic Missile Badge. He also received numerous Citations and Commendations.

He participated in two Atomic blasts, was a member of George C. Brown Post of the American Legion, Disabled American Veterans and the Retired Officers Association.

He is survived by his wife Sallie; a daughter, Katherine Elizabeth Hughes, of Kansas City; a son Daniel Vail Pease of Bixby, Oklahoma; three sisters, Ester K. Seaman Paxton, Ruth Ione McCleskey of Shawnee, and Marjory Sharp of Pittsburg; two grandchildren; and one brother, Daniel B. Pease of Riverside, California.

This man was very popular in his Community, and there were so many articles written about him, that this book couldn't cover them all. One thing is for sure, the 83rd will miss him, especially those in the 324th.

Andrew Churpack, a member of the Pittsburgh Chapter and "D" Company, 331st Infantry, has been Hospitalized for a Hip replacement. We are hoping for a speedy and complete recovery. Andy is one of our regulars at all of our meetings and affairs. He is a true 83rder.

Our good Buddy, Gene Costanzo is in real good shape again. Bill Jacobs of 3 Bn Hq 331st Infantry is doing just great after having By-Pass Surgery. He doesn't look much different than he did before the Surgery. Welcome back!

Here is a "Change of Address" that you fellows in the 330th might be interested in: Glendon R. Millet from 16 Balch Avenue in Groveland, MA 01834 has moved to: 3046 Windmill Village in Punta Gorda, FL 33950. He has just become another prospect in the ever growing Florida Chapter.

I made mention in a couple of my past columns about the Dedication of the "American G.I. Monument in Clervaux, Luxembourg. This event took place in September and I was unable to attend. We were represented by three 83rders and that made me very happy. The three were: Bill Nickell, Richrd Dickson and Florentino Casile. Richard Dickson sent me this report:

"The Ceremony was lengthy and well planned. It started with a Convoy of Military vehicles through the town to the Monument. Any visiting Veteran, if he so chose, could ride in a vehicle. The drivers of the vehicle, owned it and retored it. The original markings had been preserved and some Americans had found that the vehicle had belonged to their outfit.

When the convoy arrived at the Monument, the crowd had gathered, and among them was Prince Henri with his new American wife. After the speeches and the presentation of flowers, all Veterans were invited to a Cocktail Hour in the Castle to meet the Mayor and numeros Dignitaries, including the Sculptor and active Military Personnel of the Luxembourg an American Armies.

This was then followed by an excellent Buffet Banquet complete with Speakers and a Dance Band. Each American was presented with a Bronze Meddalion of Ike, Patton and Bradley. It was designed by the Artists who created the Belgium and Luxembourg money.

The next day, the wife and I visited a few towns on our way to the Airport. The Country is as beautiful as ever, but beginning to change enough so that it doesn't quite look like the place we remember. Tillie Kimmes said there will be many American Vets returning next year and anyone expecting to visit, should make arrangements early."

**LET'S GET THOSE DUES IN AND WATCH THE 83RD GROW AGAIN. DROP YOUR BUDDY THAT PERSONAL LETTER AND GET HIM INTERESTED AGAIN.**

I thought it would be a good idea to add a few jokes to help fill this page, since I misplaced the other material during my cleanup campaign. Hope you like them as much as I did. A bit of a smile or a laugh never hurts.

Soldier: "Yes, Sir!"

Officer: "What were you before you joined the Army?"

Soldier: "Much happier, Sir!"

A lawyer visited a client who had been in an accident. "I've come to help get your damages," the lawyer said. "I've got all those I want," the client replied. "What I need is repairs."

In Basic Training, the Drill Sergeant asked, "Does anyone here know shorthand?"

Two recruits, expecting cushy jobs, eagerly volunteered. "Good", the sergeant said, "Report to the mess hall on the double. They're peeling potatoes and are a little shorthanded."

The above photo was sent to me by Tillie Kimmes, and it shows Prince Henri and his American wife, unrolling the "Memorial to the American G.I." in the Castle Court Yard. It would have been nice to have a photo of the 83rders admiring the Statue.

A member of the 4th Infantry Division, George Morgan, sent me a lengthy description of the affair, and he made me feel as though I was right there with him. Thank you George, and all those that sent me information about the Dedication. I'm hoping to get over there for the Fortieth next year by boat and will meet several others of the 83rd in Luxembourg. We'll be in Normandy when the other 83rders are there with the Tour. We are planning to spend a month just touring all over the place, as we see fit. No rush!

By the way, those of you that are planning to go with the 83rd, must write to Bob Derickson, not me. It will save you much time in getting your arrangements made. He has all the information from the Travel Agency for you.

See all of you over there.

Dear Buddies:

Since our last reunion we have lost 18 of our members listed in our Fall Issue Thunderbolt. I've been notified that Arthur DelPadre of "D" 330 Inf. has passed away. Arthur was among the first to receive a Battle Field Commission. Also a very good friend of mine. Henry Glista of C-323 F.A. Bn. has gone on to his Reward, may the Good Lord keep them all. Again we ask all our Buddies that report a friend passing on to send us the Unit and Bn. and Regt. No. Any one knowing any members that's ill please drop him a line to cheer him up. Sometimes the best medicine is a letter from a friend. Our good buddy Arthur Doggett has a wonderful plan setup for our Memorial Services. And also for a great reunion in August. Larry Redmond was in the hospital with a Heart condition. We pray for his quick recovery. Also Bill Appleby 783rd Ordinance is in the hospital we also pray for his quick recovery. We pray for all our ill comrades for a quick recovery, and may they all join us once again in the near future. Bless each and every Thunderbolt. The living and the dead. Amen.

Dear Robert Derickson,

On 28 August 1942, I was transferred to the 83rd Infantry Division after serving one year with the 29th Division at Ft. Meade. I was attached to Division Headquarters and while there our unit along with several other units formed a touch football team. We were fortunate in that our team played the 308 Medics for the championship of the 83rd Division. We won the game, and as the picture tells the story, I was presented with the trophy by Major General Frank Milburn.

This is the picture and I have enough copies to give to the other players, but I don't have the addresses and their names. By having this picture printed in the Thunderbolt, I hope that the boys on the picture and any not on the picture will kindly send me their name and address and I will forward to them the picture.

From Division Headquarters I was sent to Company A, 329th Infantry where I trained and served overseas.

I hope that anyone who remembers me from Division Headquarters or Company A, 329th please drop me a card so that I can begin our friendship again.

Sincerely  
Sgt. Joe Stefancin

### \*\*\* FLORIDA CHAPTER \*\*\*

The Florida Chapter met on November 11 and 12 at the Best Western Motel in Ocala, Florida and had approximately 35 members and wives present. We were very happy to have Parker Black of Anti-Tank 331st and his lovely wife Rose join our Chapter. Parker Black comes from Maine, and now resides in Sarasota. Would you believe that after almost 40 years Parker met with his supply Sgt. Leo Schneider at this meeting. The ladies were invited Friday evening to Lou and Ivonne Lizzotte's home for a buffet dinner, and the men went to a restaurant for dinner. Saturday, the men had our business meeting in the afternoon, and in the evening we had a delicious prime rib dinner at the Caverns restaurant in Ocala, followed by dancing. It was a wonderful week-end and all arrangements were made by Lou and Ivonne Lizzote, who did a fantastic job.

A number of our members were not well enough to attend this meeting. We all hope they will be well enough to attend future meetings. As usual Wilbur Campbell of Pittsburgh attended our meeting. It is always good seeing him.

As you will be receiving this issue after the Holidays, I hope everyone had a good Holiday. We are happy to report that John Stewart, a member of our chapter and a Co. A 331st man was married on September 19th to a lovely woman named Anna Mae. We are all so happy for him and wish them the best of luck.

Our next meeting will be the first week-end in February, and probably will be in the Tarpon Spring area. Tarpon Springs is a beautiful greek village, and has one of the most famous Greek restaurants in the country. If anyone from the 83rd will be in the area about the first week end in February, we would be happy to have you join us. Also Walter and Elizabeth Marshall (he made the beautiful clock for our reunion) are hosting this weekend, and anyone who knows them both, will know what a weekend is in store for you.

We had elections at this meeting, and the following men will be our officers for 1984.

President	Jim McDonald
Vice President	William Drugash
Secretary-Treasurer	Dave Benick
Judge Advocate	Edward Smith
Chaplain	Bob Duke

I just received a letter that Bill Herhuth was not feeling well. Hope that he gets well soon.

\*\*\* "A" 331st REPORT \*\*\*

I am very happy to report that at our reunion in West Palm Beach, Co. "A" 331st had thirteen (13) members in attendance and getting stronger. Charles Hoffman and E.A. Mason from Oviedo, and Coral Gables, Florida and Co. "A" 331st men attended their first reunion. It sure was nice seeing them. I know that there are many more men from Co. "A" 331st and am looking forward to seeing them in Owensboro, Ky. in 1984. So let's go Co. "A" 331st and let's see if we can top Co. "D" 331st.

We hope that when you read this, our good buddy Dave Feig will be over his operation and on his way to a very healthy life. We sure did miss Ruth and Dave at our reunion.

**Dave Benick**  
Co. "A" 331st.

Dear Bob:

Received your card in regards to my dues. You can apply the money for my 1985 dues.

Sorry we couldn't make the reunion, but with Loressie's condition it was impossible. She's doing quite well.

By the way, I'm going to join the 83rd on it's Sentimental journey overseas next year. Our son and daughter are going to take care of their mother while I'm gone.

I suppose Galaxy Tours can get me the Air Fare from Wausau. (Republic Airlines come in here.)

Bob, I'm enclosing a snapshot of Loressie and I. If you can get it in the Thunderbolt I'd appreciate it. Hoping to see and meet you next year.

Best regards  
Bill

Robert:

Here are pictures of the men from Co. F. 329th that attended the reunion in W. Palm Beach. I would like for you to put it in the Thunderbolt.

Dear Bob:

Since receiving your letter of July 27th I've intended to write you. However I've had a little added problem of my "Arthritis", and since I'm 70 years old in 9 days it really "loads me down". I'm extremely sorry to miss the 40th Reunion in Florida, but its unavoidable.

I had contact with two local 83rd men, who greatly enjoyed the reunion meeting. I'm extremely pleased to hear a number of people inquired about me. I assure you if possible I would have been there. Yet, as conditions now exist I am unable to ride more than 15 or 20 miles in a car or bus. This limits my travel greatly. So it's fly to the closest town. Too often it's a long bus ride to the vital location, this I can't do. So I'm very extremely sorry, but I can't make it unless the situation is within limited bounds. So, I understand 1984 is Owensboro, Ky. As I would like to make it if the Airport is close to the Hotel etc. Please believe me, I'm extremely sorry to miss the past several years, but I can't do much about it (I hope you can read my writing) the Arthritis even bothers my hands, so writing is difficult also. Enough about my personal problems. I'm GRATEFUL & PROUD to be a LIFE MEMBER of the Assn. FOR THIS I'M MOST THANKSFUL.

I appreciate the "Thunderbolt" and its facts and data. I spend time in reading & reviewing every word. If anyway possible I will try to be in Owensboro next year if it's possible in the extremely difficult circumstances. I greatly appreciate the Association and all 83rd members, and never missed from Day II in Cleveland thru 12 years. But my circumstances have prevented it as I have stated before. For this I'm very sorry.

I'm also sorry to report that a member of "C Company 331st Art Johnson passed away several months ago. He was a wonderful man in our "Charlie Company" and I miss him. Also I'm afraid Julius Wilbert Thompson of Kentucky south of Louisville

never answers my letters and I cant reach him by phone. So I fear he maybe missing also, as last X-mas his lady friend wrote me and stated he was in Louisville Vets Hospital. If anyone has an information on him I would certainly like to hear from them.

Jim Burton, of 329th called me about Owensboro in 84, plus fine report on Florida wonderful reunion. I'm acquainted with him plus John Raikos, Ned Smith and several others here in Indpls. I would like to keep in touch always the "Great 83rd Div. Assn.." and all it's members. Rest assured I will make it if at all possible, under all the difficult circumstances.

I was in the plans of #1 reunion plus the one here in Indpls. as #2. I'm proud of all you guys and your terrific job of carrying on the reunion plus the Thunderbolt and other fine work, typical of Old 83rd performances in WW II.

I'm sorry to note the luck of members from "Charlie 33" and feel a bit responsible due to my unattendance. I will do anything you might suggest to help keep 83rd rolling. If I can physically do so. No one in the world has more PROUD RESPECT for our Association than I do. I'm ashamed to be unable to carry my part now. But I'll try anything you suggest.

I'm closing this lengthy epistle, as I realize Im' not doing much - however I'm still greatly proud of all of the 83rd. Div. and will forever be so. Please use a few of my words in the next Thunderbolt.

Expecially appealing to the "Charlie 331" group to join in and help keep the "Great Assn." going strong.

Sincerely and best wishes to all  
Walter H. Edwards, Jr.

This article came with Ralph's check for his dues for 1984.

#### OLD BUDDIES:

Rolla's Ralph Wavra had an old friend drop in recently, Ralph's old foxhole buddy. Frank Ciolkowski and his wife of Baraboo, Wisconsin came to Rolla to visit Ralph and his wife.

Wavra and Ciolkowski served together in that foxhole in the European Theatre of World War II, now 38 years ago.

Lots of Memories.

Dear Buddies:

You may have read in the Spring issue of our Thunderbolt, that I was looking forward to writing a report on our meeting the Russians at the Elbe in May of '45.

I have scrapped the idea as it didn't seem to promote any interest. I had only two responses.

However I kept up my correspondence with the Russian ex-soldier from Leningrad.

We became very friendly exchanging pictures, etc. and writing on a personal basis.

Next Spring I will write a short report on our Elbe meeting using the pictures I have.

I'm sharing with you my last letter to him, which also contained newspaper reports & editorials from our American papers.

It speaks for itself of my feelings at that time.

I digress from my usual writing of the 83rd's past, as this incident will now enter future history books, other historians will write of it.

**We Were the Best  
Wm. Kent O'Connell

P.S. I hope you have all had the Best of Christmases.

Dear Zinori:

The feeling in my country, and also with me, is running very strongly against your country after the shooting down of a commercial S. Korean jet with rocket fire.

The score is - one Russian military rocket equals the loss of 269 innocent civilians of multi national backgrounds of which 51 were my fellow country men including a member of Congress.

You and I are innocent pawns in this horrible exhibition - but it does effect us both. Me, with a sense of outrage, you as a Citizen of a country supposed by peace loving.

Your countries military and civilian aircraft

have entered U.S. airspace - guided away - not shot down!

You and I saw much death & disstruction during the war, but this was the destruction of peaceful civilliance going their peaceful way.

Can you imagine those 12 minutes of terror, horror and panic before the plane hit the water?

There was no excuse for this brutality!

I know my fellow 83rders now would not initiate to meet yours at any river.

### In anger & sorrow Kent

Dear Bob:

I would appreciate the following to appear in the next issue of the Thunderbolt.

Thank you  
C. Fred Messina

"MAC LOVED THE 83RD"

I'm looking for a Medic  
whose name I forget  
I've been asking around  
But no luck as yet  
My hopes that I'll find  
This ole buddy some day.  
I'll throw my arms around him  
And this is what I'll say.  
How have you been ole pal  
Do you remember me.  
We met in a battle at Polle  
On the Wesser river in Germany.  
Do you remember Pvt. Mac's  
Last request and dying word.  
They can't take us  
We're the fighting eighty third.  
I guess we went crazy  
We were raving mad.  
We fired all the ammo  
That five buttoned up tanks had.  
Then came the silence  
Not a gun shot was heard.  
There Mac gave his life  
For his country and eighty third.  
You dressed my wounds  
And I kept on firing.  
Our enemy was giving up  
They were moaning and crying.  
From my wounds and loss of Blood  
My vision became blurred.  
but we kept on fighting  
For Mac and the eighty third.  
You was a good medic  
Your job was well done.  
Working with the dead and wounded  
Dispite the firing gun.  
I was hurting and frightened  
But we gave Mac our word.  
We would fight to the end  
For him and the eighty third.  
Many others like Mac  
In Battle lost their life.  
Leaving our hearts filled with pain.  
It cut like a knife.  
Mac was a brave hero  
He was a real fighting man.  
Said let's get 'em eighty third  
I know that we can.  
We conquered the enemy  
As they carried Mac away.  
I said Mac we didn't let you down.  
We won the battle for you today.

Dear Bob:

Really hadn't realized I was delinquent in my dues until I got my fall edition of the Thunderbolt.

Here is a check for two year's dues. I'm optimistic, but if I don't make it thru to use up the time, the association can use the remainder.

There are at least four-make that six of "K" 330 making active plans to be in Owensboro next August.

Come on you K 330 men lets head out just as we did so many times in 44-45.

This will be my first and I'm looking forward to it. Might even see the "Mad Major" again.

See you in Owensboro

\*\*\* THE WEST VIRGINIA CHAPTER \*\*\*

We met at The Best Western Inn in Parkersburg on Dec. 4th 1983 and what a conference room it was. Excellent! We had dinner at the restaurant. The food and service were great. We wish to thank the management of The Best Western Inn, in providing us with a meeting place for our Chapter and also John Swecker for his help in obtaining this place.

Our attendance was not what we expected due to the weather (rain all day), illness and the Holiday Season. We had a good meeting with a talk by Jim Dunkin and his experience in the War. A motion was made and passed to donate Fifty Dollars to The (West Virginia) Barboursville Veterans Home. Arrangements are being made to present a check to H. Woody Williams, The Home Commandant and the Veterans in person on Dec. 12. We also plan to take some Gifts for the Veterans for Christmas). Two boxes of candy were given away. (door prizes. Helen Persinger and Chauncy Hunt) at our Chapter Meeting. We had an exchange of Christmas Gifts and every one present received a small box of candy. Our next meeting will be on March 18th, 1984, with the location to be determined later.

That's all for now

\*\*\* WEST VIRGINIA CHAPTER \*\*\*

The CITY OF NITRO (My Home Town) was officially named a WORLD WAR I Memorial City on Sept. 29th 1982 and dedicated on Nov. 11, 1982.

NITRO got it's name from the production of gun powder and Nitrocelluose. Was built over night by thousand's of construction workers.

I could go on and on but space won't permit the real story, am enclosing two photo's of the MEMORIAL PARK and a copy of the Dedication Ceremony.

Feel free to use any of the enclosed booklet for reprint, with permission from Mayer Ashley, CITY OF NITRO.

\*\*\* WEST VIRGINIA CHAPTER \*\*\*

Hello Bob:

Our visit to Cincinnati Aug. 5th to attend the 37th annual reunion of Co. L 331 was a blast as usual. My wife and I had a grand time.

The battles were fought all over again, they get bigger and better as the years go by.

The women enjoy these get togethers as much as the men.

Since joining the reunion in 1980 I've had the pleasure of meeting someone new that I haven't seen since Basic its always a pleasure to see these good buddies.

Keith Killian made a surprise visit this year, it was good to see him again, we had a long talk about our exploits while on the grand tour with the 83rd.

Bob thanks again for the visit you and Pearl paid us while staying at the Rodeway Inn, it was most enjoyable.

As I mentioned before, next year we were to reunite in Louisville and as planned to hop on over to Owensboro but a last minute change was made to have next year's reunion in Erie, Pa.

Well what can I say, win some, lose some.

## **BULLETIN**

When you move and change your address, **PLEASE**, send me your change of address. It does no good to mail you a Thunderbolt at your old address. **The Post Office WILL NOT forward Third Class Mail.** It will just go to waste. With the cost of printing and postage this is very costly to the Association to have even one go to waste. Send your address change to the Association Office and not to someone else.
